Important fare and schedule information

- All fare and fare ranges are subject to change until purchased.
- Flight ontime performance statistics can be viewed by clicking on the individual flight numbers.
- All fare and fare ranges listed are per person for each way of travel.
- "Unavailable" indicates the corresponding fare is unavailable for the selected dates, the search did not meet certain fare requirements, or the flight has already departed.
- "Sold Out" indicates that, based on the number of travelers in your search, we do not have seats for all of those travelers in the particular fare type.
- "Invalid w/ Depart or Return Dates" indicates that our system cannot return a valid itinerary option(s) with the search criteria submitted. This can occur when flights are sold out in one direction of a round trip search or with a same-day round trip search. These itineraries may become valid options if you search with a different depart or return date and/or for a one-way flight instead.
- For infant, child (2-11) and military fares please call 1-800-I-FLY-SWA (1-800-435-9792). These fares are a discount off the "Anytime" fares. Other fares may be lower.
- Group Reservations, Ten or more Customers traveling from/to the same origin/destination. Discounts vary. Call 1-800-433-5368
- "Savings with Flight + Hotel" claim is based on average savings for Southwest Vacations bookings purchased in a bundled package of 5 or more nights vs purchasing components separately (i.e. a la carte). Savings on any given package will vary based on the selected origin, destination, travel dates, hotel property, length of stay, car rental, and activity tickets. Savings may not be available on all packages.
